Developing the next generation of leaders  
in the European-Philippine business community

**MEMBERSHIP APPLICATION**

The **Young Professionals Committee (YPC)** of the **European Chamber of Commerce of Philippines (ECCP)** offers emerging business leaders a platform to make a difference in both the local and international business environment by means of innovative strategies, ideas, advocacies and events specifically designed for the development of young professionals and entrepreneurs in the Philippines.

## OBJECTIVES

- Serve as an avenue where young entrepreneurs and professionals within the European-Philippine business community will help ECCP in its mission of increasing trade relations between the Philippines and Europe.
- Enable young entrepreneurs and professionals to take an active part in ECCP's undertakings focusing not only on business but also on CSR and advocacy-related initiatives.
- Raise awareness on current business trends, international education and training.
- Enhance ECCP's line-up of events and activities by organizing novel networking events, conferences and other activities.
- Design and execute projects and activities that help the ECCP connect with the next generation of business leaders.
- Introduce the benefits of chamber membership to a younger audience.

## MEMBERSHIP

YPC membership is open to any young local or foreign entrepreneur, innovator or professional who owns or works for an ECCP or non-ECCP member company based in the Philippines. Ideally, YPC members are in their 20s and 30s. Eligible applicants are required to submit copies of their company I.D. or proof of entrepreneurship together with this application form and sign the Integrity Initiative pledge.
